

Reporting of Short Sell Transactions by Clients

Dear Client,

Pursuant to **SEBI Circular Ref. SEBI/HO/MRD/MRD-POD-3/P/CIR/2024/1 dated January 05, 2024** on the Framework for Short Selling, all stock brokers are required to collect scrip-wise short sell details from clients and report the same to the Stock Exchanges within the prescribed timelines.

So, please ensure to inform Star Finvest Private Limited of any short sell (i.e. a transaction wherein you “sell” the securities that you are not holding at the time of placing the “Sell” order) by writing an email to compliance@starfinvest.in with subject line **“Reporting of Short Sell”** before **4:30 pm of the same day to enable timely regulatory reporting.** Please give the following details in the body of the email –

UCC CODE	NAME OF CLIENT	NAME OF SCRIP WHICH IS SHORT SOLD	ISIN OF SCRIP	QTY SHORT SOLD
